

Driver's Choice Driving School, Inc.

Important Information, you must read and sign.

Dear Student and Parent:

Once you have completed your Driver Education Training, DCDS will file for your "Driver's Ed. Certificate". **The charge for the state certificate is \$20.** Please fill out the bottom of this form and return it to your instructor with a **check or cash payable to DCDS along with the yellow RMV form with parental signature.** We must have your Driver's Ed. Certificate before the RMV will allow a road test to be booked.

All road tests must be pre-paid prior to taking your road test. If you do not pre-pay with the registry, you will have to return to the registry at a later time to pay for your license. With RMV's closing throughout the state, wait times are extremely long and the instructor will not be able to wait at the RMV for a student to pay. **You can pre-pay by calling 800-858-3926 and pay with a credit card. Or you can simply go to any MA RMV location and tell them you want to pay for your road test appointment and license fee.** The total cost is \$70. When you call the registry please remember to only pre-pay, DCDS will book the actual test once the Driver's Ed. Certificate is in the RMV computer system. The RMV no longer sends out the Driver's Ed Certificate, it takes about 7 days for the Certificate to be entered into the RMV computer system. DCDS always books the first available test date unless otherwise specified. Once the test is booked, we will call you to inform you of the date.

The day of your Road Test you will need the following:

- Your Learner's Permit in good condition. (Do not laminate or tape the back of your permit.
- A check or cash for \$80 payable to DCDS for Brush up lesson and test car.
- A Positive Attitude!

Parent: I have read and understand the **pre-pay requirements** and will take care of this before my son/daughter finish their driver training.
